PrintFest 2008

xpedx and Ryobi, Booth 335

**XPEDX AND RYOBI AT PRINTFEST 08 ANAHEIM, BOOTH 335**

xpedx and RYOBI exhibit together at PrintFest 2008, March 28-29, Booth 335, the largest booth at the revitalized West Coast show.

There will be continuous live demonstrations of a RYOBI 754P six-up, high-speed four-color press with perfector. xpedx will also demonstrate a C.P. Bourg BB3002 perfect binder and an FMA offline UV coater.

In addition, xpedx will discuss its broad range of services to graphics professionals across creative, pre-press, on-press and post-press functions. The company will also spotlight services to printers through its network of retail paper and graphics stores across the Western U.S.

xpedx has specialized sales personnel and technicians in southern and northern California, the Western U.S. and throughout North America. Ryobi presses are available through xpedx and its network of 50 dealers across the U.S., including Print & Finishing Solutions in southern California and RY-Cal, Inc. in northern California.

**About xpedx**
